

ELAN[®]
FLAGSHIP
EXPERIENCE

The ELAN Flagship Experience

Your ELAN system is ultra-intuitive and responsive to your every need. It will enhance – indeed transform – the way you experience your home. And with its award-winning interface, ELAN is exceptionally easy to learn and use. You will enjoy and appreciate it from day one and for years to come.

When you step up to an ELAN Flagship System, you further elevate your smart home experience. A Flagship System combines audio, video and power management from the ELAN family of smart home and entertainment solutions. With everything designed to work seamlessly together, the ELAN Flagship system delivers maximum performance, and gives you maximum confidence with a 5 year warranty on Flagship products.

It's All About You

Your Certified ELAN Dealer will personalize the Flagship System to your needs and your lifestyle, giving you easy and effortless control of all connected devices in your home through the elegant ELAN hand-held remote or one of our in-wall touch-screens. ELAN works with Amazon Alexa, so voice control is yours as well.

On the go? Use your favorite mobile phone or tablet, and the interface will look and feel just like the dedicated ELAN devices. Whether you are in the family room, out by the pool, across town or around the globe, ELAN makes it easy. This is the “Your world, made simple” commitment we make to you.

ELAN Entertainment & Control System

ELAN family of Audio, Video & Power Protection

Maximum Performance and a 5-Year Warranty

Flagship System Elements

Control and Automation

The ELAN controller is the foundation of your system. It integrates all aspects of your home – from lighting and shades to security, climate and entertainment – all through an intuitive user interface.

Media and Entertainment

Your Flagship system adds our audio/video distribution to move media around your home. Whether it's 4K ultra high definition video in your home theater or sublime stereo in every room, the ELAN family of AV controllers and amplifiers deliver media that's fully integrated into your home control and automation experience.

That Sounds Amazing

The ELAN family of smart solutions has the right speaker for every need, from in-ceiling speakers throughout the house, to surround sound systems in the home theater, to outdoor speakers that blend into their surroundings.

Protection and Performance

We realize you are making an investment in your home technology, so the Flagship System gives you peace of mind with advanced surge protection and power management solutions. And it's more than protection. We add power conditioning to safeguard all connected equipment from power spikes and surges, and maximize performance of the audio and video equipment for the best possible sound and picture quality – and this helps extend the life of your equipment as well.

Peace of Mind

All ELAN Flagship System designs are certified by ELAN. And when certified, the Warranty on key components is increased to five years. Not only will your system be great performing, but it will offer you many years of elegant home control and enjoyment. And in the unlikely event that a component needs to be replaced, we will expedite shipping of the replacement to get that part of your system up and running again as soon as possible.

ELAN[®] FLAGSHIP EXPERIENCE

ELAN is from connected home technology leader, Core Brands. ELAN Flagship Systems match ELAN entertainment and control solutions with best-in-class audio, power and connectivity brands for an elegantly seamless and long-lasting experience, every time.

July 25, 2017

Thank you for considering an investment in an ELAN Flagship Entertainment & Control Solution and working with our friends at SmartHouse Integration.

Mark and his talented team at SmartHouse Integration are a great partner to us at ELAN. They have served Southwest Florida for over 20 years, delivering award winning design with best-in-class customer service. SmartHouse is an ELAN Elite Dealer based on the number of quality ELAN systems they install. They deliver control, energy management solutions, outstanding audio and video solutions and peace of mind. The photos on their website speak for themselves! SmartHouse has been recognized for their outstanding work by the Consumer Technology Associations (producers of the CES Show in Vegas) almost every year since 2009. Awards include "Custom Home of the Year," "Retro-Fit Job of the Year" and "Best Green Project of the Year" – 16 awards in total, most controlled by ELAN.

For over 25 years, ELAN has added comfort, convenience and peace of mind to over a million homes. And now, ELAN Flagship Systems elevate this award-winning experience for even higher performance, reliability, simplicity and enjoyment. ELAN Integrators who offer Flagship-certified designs are among the best in the industry, and we are excited to designate the system SmartHouse is presenting you as a Certified ELAN Flagship System.

Your system begins with the ELAN home control platform – the easiest to learn and to use system with an award-winning user-interface. ELAN systems are powerful, scalable and seamlessly blend your home entertainment (music, TV and movies) with your home security, door locks, garage door openers, video surveillance, lighting, shade control, intercom, pools, spas, irrigation and more.

The Flagship System delivers an exceptional listening experience with speakers from the ELAN family of brands: *SpeakerCraft*, *Niles* and *Sunfire*. And the Flagship System adds *Panamax* power protection and management to maximize audio and video performance and enable remote support capabilities to keep your system always running smoothly. Flagship Systems benefits include:

- System design support and certification to ensure exceptional experiences.
- Extended warranty on Core Brands electronics to 5 years (see brand list below). And most of our speakers include a *lifetime* warranty.
- Advanced replacement of components, to minimize downtime in the unlikely case that you have any issues with your Flagship System.
- Incentives on upgrades and other offers available exclusively to Flagship System owners.

From all of us at ELAN and SmartHouse, thanks again for the opportunity to serve your home technology interests.

Sincerely,

A handwritten signature in black ink that reads "Joe Roberts".
